

We definitely understand and respect the importance of your privacy.

As such, we limit the use of the information you provide to us so we can give you the best possible service while you are enjoying our tours.

We will look after this information carefully!

If you give us your permission to keep in touch, we will keep communications about news or offers to a minimum (maybe once or twice a year). Of course, you will also be able to tell us to “go away” at any time by unsubscribing at the bottom of an e-mail or by writing to [jaime@senderosypueblos.com](mailto:jaime@senderosypueblos.com). **We don't want to pester you!**

If you send us reviews, comments or holiday photos, we understand that you give us permission to share it in our website or on social media to show other people what great holidays we have! We also find these valuable for us to be able to continuously improve everything we offer to you.
